

As a Remedy for Bronchial Affections and Chronic Diseases of the Lungs, nothing ever before discovered equals Dr. Pierce's Golden Medical Discovery.

THE OUNTURE OF THE HAIR.—Just as surely as a soil infested with Canadian thistles can be made to produce the crops of golden grain, the scalp now sparsely covered with harsh, dry, unmanageable hair, can be made prolific of silken tresses. All that is necessary to effect the change in either case is the right kind of fertilizer. Leaving the agricultural chemists to determine how the barren land shall be made fruitful, we positively assert that Lyon's Katharion is unequalled as a fertilizer and beautifier of the hair. Twenty-five years of success is the basis of this unqualified statement. During that time, it has been used by many millions of both sexes, and the first instance in which it has failed to fulfill the expectations of a rational purchaser has yet to be discovered. It will not cause hair to grow on a varnished gourd; but wherever the roots of the hairs fibres remain undisturbed, it will cause them to put forth new shoots, and in all cases where the hair has become thin, it will increase its volume.

A North street man went off Saturday noon, for a half day of fishing. When he returned he had walked thirteen miles, lost a forty-five dollar watch, sprained his thumb, spoiled an eleven dollar pair of pants by sitting down on his hunchbone, and caught a four-pound mud turtle. He got back in time to help the doctor out from his oldest boy's foot one of the several fish hooks he had left at home. He took a cursory view of the situation, and went to bed.

In the course of an apology for publishing four sermons, the St. Louis Democrat says: "Religion ought to be of more concern to the human race than politics, not to mention the fact that there is more thought and culture in the pulpit than on the rostrum. Occasionally a sermon is dull, but generally a political speech is dull, and a dull sermon is better than a dull speech. We wish all pulpit orators were Beeschers; but anything to beat Satan."

It seems, after all, that Utah is the place for women's rights. Two young females of the strong-minded persuasion were admitted to the Salt Lake bar the other day, and may in time be sent to Congress. Utah would be just the place for Gen. Woodhull were it not for the drawback that the Mormons believe in a multiplicity of wives and she in a multiplicity of husbands.

It is understood that Pauline Lucreia is to place her jewels and trophies on exhibition at Tiffany's jewelry store in Union Square, N. Y. She has the pen presented to her by Anber, with which he wrote "Fra Diavolo," crowns in gold and silver; "diamonds, too, not rings and earrings only, but whole necklaces and stomachers of gems."

Dr. TUTT'S SARSAPARILLA AND QUEEN'S DELIGHT.—No medicine possesses so many valuable and medicinal properties as this combination of Roots, Herbs and Barks. The Queen's Delight is acknowledged by physicians to be the most powerful remedy known for Impure Blood, Liver Complaints, Nervousness, Female Complaints, Constipation, Rheumatism, Diseases of the Kidneys, Syphilis, Affections, Skin Diseases, Chronic Complaints, &c. But in this preparation it is combined with other vegetable products, which renders its virtues doubly valuable. Most diseases have their origin in the blood, and as a Blood Purifier, the Sarsaparilla and Queen's Delight has no equal. It requires but a trial to convince you most sceptical.

For Female Complaints, whether in young or old, married or single, at the dawn of womanhood or the turn of life, Dr. TUTT'S Liver Pills are an acknowledged remedy.

To the Ladies.
ONE of the worst forms of discoloration of the skin, and of pimples and eruptions, is caused by the use of CALOMEL and BLUE MASS. Mercurial medicines are supposed to have a special action on the liver; the theory is erroneous. If calomel is given in repeated doses it produces salivation, and in this condition the liver is badly damaged. The liver is more torpid; the skin must do some of the liver's work, in controlling bile elements, and will be liable to pimples, blotches, eruptions, dark spots, discolorations, tubercles, sore mouth, sore throat, catarrhal affections, &c. The only serviceable liver medicine is HEINITSH'S LIVER PILLS. No calomel. They regulate the liver and purify the blood.

"Amazement on My Mother Sits."
SUOH was the exclamation young Hamlet made to his "Ma" upon her return from the GREAT GROCERY STORE of

The old lady had been in a good deal of trouble lately about Grocery matters; but wandering a little further than her wont down town, she happened to step into

Purchased her supplies, upon receipt of which, satisfaction so beamed upon her countenance, that young Hamlet (hopeful cousin) let loose the expression used to point the moral of this advertisement.

The quantity, quality and remarkably reasonable prices of our goods, invite the patronage of the public. Call, purchase and be convinced; and (as word in your ear) be sure to pay for them, as goods not worth paying for airt worth buying.
